Room 37-475  
Cambridge, Massachusetts 02139

Dear Sheila:

I thought you might be interested in the enclosed reports of the FTC's scientific consultants commenting upon the technical submissions made by Philip Morris, Brown & Williamson, and the other tobacco companies in connection with the investigation of the Barclay filter. The consultants are clear and unanimous in their support of the Philip Morris position.

Best regards.

Sincerely,

Hadrian R. Katz
